Septic will have to wait until ground thaws for perk test.

We apply to building inspector for permit. If/when he denies it, we appeal to the ZBA. The next ZBA meeting is April 26th.

Greg is converting the church directory from word to Excel. He needs some help

Get updated town list from Loos.

Brian will get a copy of voter list.

When we talk to residents, voters, and potential donors, have a calm discussion trying to reach consensus, not winners and losers.

Suggested informational meeting or letter to residents.

Someone posted picture on Instagram of the schoolhouse. After Greg brought them up, we determined that the pictures had been taken through a window.

Possibly the MWHS could buy the building and lease the land from the town. The town could then lease storage space from the MWHS for the same amount.

Change our future meetings to 1st and 3rd Thursdays at 6 PM. This will avoid conflict with Planning Board meetings on the 4th Thursday of each month.

Before next meeting:

Hans will send mailchimp list to Greg

Dave will work on the wires.

MWHS will work on the silent phase.

Focus on voters.

Next meeting March 21, 2019 at 6 PM.

Meeting adjourned at 8:07 PM.

Respectfully submitted.
