REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Mount Washington
The expenditures incurred by the School Department; a statement of various reimbursements; together with the budget for 1933 are herewith submitted.
It seems advisable, owing to the increase in attendance the coming year, to open the North School. We trust the voters will act favorably on this suggestion.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the citizens of Mount Washington I herewith submit my third annual report.

The work in the school continues to be of the same high standard as we have been very fortunate in securing good teachers. Those pupils who have graduated and are attending High School in Great Barrington and Sheffield are making an excellent record.
In compiling the budget for next year, we have given no raises in salary, and I have voluntarily taken a cut; all other items on the budget have been reduced as low as possible in the interest of economy.
February 1st marks the beginning of my second term as your Superintendent and I take this opportunity to thank you all for our very pleasant relations during the past three years.
Respectfully Submitted,
CHARLES L. STEPHENSON.
