Mount Washington Board of Health

**Late Announcement from the Governor of Massachusetts**

Yesterday the Baker-Polito Administration announced new COVID-19 public health emergency responses issuing new guidelines on travel and transportation.

**Beginning March 27<sup>th</sup>, all travelers arriving to Massachusetts are instructed to self-quarantine for 14 days.**

Please be respectful of this order and arrange for out-of-home errands to be done by others. Contact the Mount Washington Board of Health or the Selectboard via email with any questions. Thank you.
